DAAD

Deutscher Akademischer Austausch Dienst
German Academic Exchange Service

Funding Opportunities for Costa Ricans (Individual Funding)

Undergraduates, Graduates, Ph.D. candidates

- Grants for Ph.D. candidates of all disciplines (12 up to 42 months)
- Grants for graduates in music, art and architecture (12 up to 24 months)
- ALECOSTA program for Master (2 years) and Ph.D. (4 years) DAAD / CONARE
- Short term grants for Ph.D. candidates from 2 up to 6 months
- Grants for postgraduate studies with special relevance to developing countries
- “Regional Program”: Grants for Master and PhD studies in Central America
- Summer courses for undergraduate and graduate students in German language, history and culture
- DLR – DAAD Research Fellowships

University staff and Researchers

- Bilateral Researcher Exchange (1 up to 3 months) DAAD / CONARE
- Re-invitation of former DAAD-fellows (1 up to 3 months)
- Guest lectureships (up to 6 months)

DAAD funding for institutional cooperation / projects

For example:

- Bachelor Plus-Program (to set up a four-year bachelor's degree programme with an integrated year abroad)
- Double-Degree Program (DAAD)
- Visiting Professorship Program
- Summer Schools in Germany and in Costa Rica
- Study visits and practical training for Costa Rican students in Germany
- Subject-related Partnerships with HEIs in developing countries
- Cooperation between universities and enterprises (*Praxis-Partnerschaften*)
- Excellence Centers for Exchange and Development (EXCEED)

DAAD funding for institutional cooperation / projects

Bachelor Plus

Objective: to set up – in cooperation with a foreign partner university – a four-year bachelor degree program with one year international phase and the opportunity to gain special intercultural and / or professional competencies

Support for the German university: funds for travel, material and personnel resources for the voting process of the study programme and to prepare students

Scholarships for German students: Partial scholarships plus health insurance during the year abroad

Funds are provided up to:

- 1. year: € 80,000 (max. € 50,000)
- 2. and 3. year: € 80,000 (max. € 30,000)
- 4. and 5. year: € 80,000 (max. € 20,000)

Duration: up to 5 years

Applicant: German university

DAAD funding for institutional cooperation / projects

Integrated International Degree Program

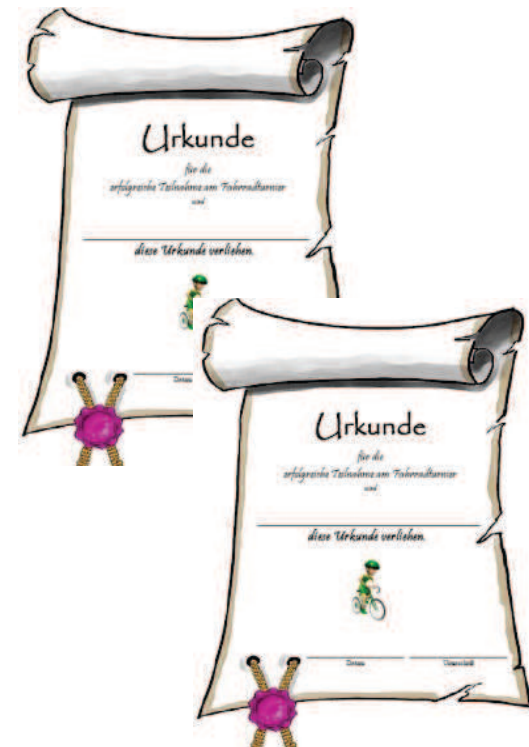

Objective: Establishing Bachelor's and Master's Degree Programs with double or joint degrees

Funding: preparation phase 1 year (optional): up to 10,000 € / funding per year
regular funding phase: up to 50,000 € / funding per year
(each additional partner: + up to 25,000 € / funding per year)

Duration: 1 year preparation phase (optional), after 8 years of successful implementation of the project (i.e. 2+2+4) further funding possible (usually 4 years)

What can be funded?

- Academic or administrative personnel
- Travel expenses for German project personnel for strategy meetings at the partner university
- Grants for short-term guest lectureships (2 weeks to 3 months) in both directions
- Accreditation expenses
- Scholarships for German students (study abroad)
- Material resources

DAAD funding for institutional cooperation / projects

Visiting Professorships

Objective: Internationalisation of Germany's universities; strengthening the international dimension in teaching

All faculties, except for visiting professorships for language instructions

Funding: Allowances and supplements for the visiting professor's salary; travel allowance; mobility allowance for conference participations; allowances for the organization of conferences that are in direct relation to the visiting professorship

Financial Contribution by the partner university is expected (10 %)

Duration: Visiting Professorships: 3 months up to 2 years

Visiting University Chair: 2 up to 4 years

DAAD funding for institutional cooperation / projects

Summer Schools in Germany and in Costa Rica

Summer Schools in Germany

Objective: Support of excellent Summer Schools (open to all subjects) in Germany, organized by German universities

Funding: up to 25,000 € / Summer School

What can be funded?

Scholarships + Travel allowances for foreign participants (application by the German university),
Participation fees

Summer Schools in Costa Rica

Objective: Support of excellent Summer Schools (open to all subjects) abroad, organized by German universities

Funding: up to 25,000 € / Summer School

What can be funded?

Travel allowance for teaching staff (to teach at the Summer School),
Material resources (marketing, local fees, work material, etc.)

DAAD funding for institutional cooperation / projects

Study Seminars in Germany / Study Trips to Germany

... for student groups from Costa Rica

Objectives:

- to establish and cultivate contacts between universities in Germany and Costa Rica
- to encourage contacts between students from Germany and Costa Rica
- to share subject-related knowledge
- to enable Costa Rican students to gain a better understanding of the economic, political and cultural life in Germany

Funding: 50 € per day for participating students

- Groups of 10-15 students + 1 accompanying professor / university teacher
- Study Trips / Seminars of 7-12 days
- Study Trips: application by the foreign university
- Study Seminars: application by the German university

DAAD funding for institutional cooperation / projects

Subject-related partnerships with HEIs in developing countries

Objective: to support academic exchange projects which achieve an improvement of the quality of teaching and the development of sustainable structures. The funding primarily aims at supporting the partnership-related exchange of faculty, lecturers and graduates (M.A. and doctoral students).

Duration: 4 years (evaluation each year)

Funding: 50,000 € per year
(for multilateral projects: topping up of 20,000 €)

Applicant: German university

DAAD funding for institutional cooperation / projects

University-Business Partnership Program (*Praxis-Partnerschaften*)

Objective: to promote knowledge transfer between universities and industry by supporting cooperation between HEIs and the local business sector (companies, chambers of commerce and associations) from Costa Rica and Germany

Duration: up to 3.5 years

Funding: up to 100,000 € per year

The participating universities and economic partners contribute at least 25% of the total budget.

Applicant: German university

DAAD

Deutscher Akademischer Austausch Dienst
German Academic Exchange Service

DAAD funding for institutional cooperation / projects

Excellence Centers for Exchange and Development (EXCEED)

Objective: creation of (by now 5) multilateral networks of university excellence in development cooperation in order to improve academic teaching, research and knowledge transfer in thematic areas like 'water', 'resource management', 'food security' and 'health'

Duration: 2009-2014 (phase 1) / 2015-2019 (phase 2)

Funding: up to 1 million € per project / year
